No. W-55/Rlg. dated Bangalore the 4th August, 1947.

Sub: Retrocession of certain Railway Lands in the Mysore State.

Sir,

I have the honour to invite you kind attention to the notification in the Mysore Gazette Extraordinary dated 2.8.47, regarding the restoration to His Highness the Maharaja of Mysore, of the jurisdiction heretofore exercised by the Crown Representative on the lands in the Mysore State occupied by the Bangalore-Madras Branch of the Madras and Southern Mahratta Railway including the Hindustan Air Craf siding and Hospital Town Extensions. Kindly intimate whether the Railway lands referred to therein include all the lands detailed in schedule "B" of Notification No.184-P dated 23.7.47 of the Political Department of the Government of India, reproduced in the Notification in the Mysore Gazette Extraordinary dated 1.8.1947.

As the information is required for deciding as to whether this Department should continue to issue the wireless licenses for the wireless sets located in those areas, the favour of your reply by return of post is requested.

I have the honour to be,
Sir,
Your most obedient servant,

Postmaster, Bangalore.

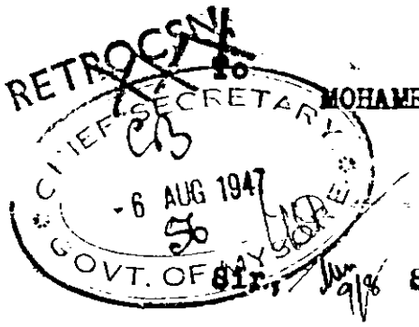
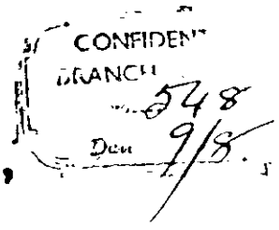
OFFICE OF THE DIRECTOR,
Bangalore, 6th August 1947.

~~D.O.~~ No. C2-1/47-48.





To

MOHAMED ISMAIL SHERIFF, ESQ., B.A.,
Secretary to the Government of Mysore,
General Department, Bangalore.

Sir,

Subject:- Introduction of the Mysore Wireless Telegraphy Act and Rules into the Retroceded area of Civil and Military Station, Bangalore.

I have the honour to state that the Civil and Military Station (excluding the area occupied by the Military) and the area occupied by the Indian Institute of Science having been retroceded to the Government of Mysore, vide Notification Nos. 319-C.B.33-47-1/464-C.B.400-46-5 published in the Extraordinary Mysore Gazettes dated 21-7-1947/28-7-47 the work of collection of Fees, Surcharges etc., in respect of the Radio Sets in the above areas which were hitherto being attended to by the Postal Department has, henceforward, to be undertaken by the Department of Industries and Commerce. I have, therefore, requested the Post Master General, Madras, to circularise the Postal Authorities concerned not to issue fresh licenses or renew the old licenses hereafter and to direct all the Licensees to apply to this Department for all licenses required to be issued from 1st August 1947 onwards (vide copy of this office No. C2-1/47-48 dated 6-8-1947 enclosed for kind information).

In this connection I have to add that as it is not fair to collect any fresh fees from such of the Licensees who have already obtained the licenses from the local Postal authorities it is proposed to renew these licenses as and when the period during which the licenses are current expires. A Notification to this effect is being sent to the local Press for the information of the Public.

With regard to the fees already collected by the Postal Department, I propose to prefer a claim on a prorata basis for the number of months for which the licenses will be current from 1-8-1947.

I request that the above action taken by me may kindly be

[redacted]

It is seen from the Director's letter that all the measures necessary to be undertaken by this govt. in respect of Radio Sets & the issue of licences thereof in Retroceded areas are being taken up already by the adoption of Rules & Forms viz (1) Collecting fees & Recharges (2) Circularising the Postal Authorities to issue any fresh licences & Renewals once hereafter & to direct the licencees to apply to the Dir Ste. of Inspections.

The Dir Ste is already in correspondence with the P.M.G Madras in regard to these matters. He has addressed the Govt. to-day also, requesting approval of his action taken in the matter. It is ascertained that action is being taken in Spl. Secy Branch on the reply.

This is only a copy of that letter received for ch. kg. No action appears to be called for in CS on this letter. Submitted for orders if this may also be sent on to Govt Secy for taking immediate action.

To

The Post Master General,
Madras Circle, Madras - 2.

Sir, Subject:- Issue of Radio Licenses in the Retroceded areas of the C.& M. Station, Bangalore, and the Indian Institute of Science.

I have the honour to state that consequent on the retrocession of the civil area of the C.& M. Station, Bangalore, and that of the Indian Institute of Science to the Mysore Durbar, the administration of the Wireless Telegraphy Act in these areas devolves on the Department of the Industries and Commerce of the Government of Mysore.

The local post offices may therefore be kindly instructed to stop the issue of fresh licenses and renewal of old licenses in favour of the residents of the retroceded areas, and to direct all such persons to this office for needful.

In the case of unexpired licenses they can be got renewed as and when their currency lapses. A Notification to this effect may be kindly got issued from your office, needful publicity being given through the local News Papers also. A similar action will be taken by me at this end.

To facilitate further needful action being taken by my office, I request you to kindly arrange to furnish me with an exhaustive list of all Licensees in the aforesaid areas with their addresses and current license numbers at a very early date.

In the case of the licenses whose periods extend beyond 1st August 1947, I propose to prefer a claim on the basis of the number of months for which the currency still lasts, as this is the only equitable arrangement and I hope you are agreeable to this.

P. T. O.

The receipt of this letter may be kindly acknowledged.

I have the honour to be,
Sir,
Your most obedient servant,
